

Applicable tax rate for cable trays

Overview

The rate applies on the transaction value of the tray, and the same rate is used for input tax credit and output tax liability in GST returns unless a special notification prescribes otherwise. Cable trays classified under HSN 73089090 typically attract an 18% GST rate, effective from July 1, 2017. HSN codes, or Harmonized System of Nomenclature codes, are standardized classifications used globally for goods and services. Use this service to find a commodity code for goods you're importing to or exporting from the UK. Under GST, cable trays are normally treated as electrical fitting or support structures and are taxed based on their material and use.
