

Customized power distribution box size and price

Overview

The cost of a custom box depends on its size, voltage, features, and certifications. Choosing custom power distribution boxes from J&HW Group ensures cost efficiency through in-house production of components like sockets, wires, and casings. By manufacturing essential parts internally, we eliminate reliance on third-party distribution box suppliers, saving on markups and. com offers a wide range of PDUs that will meet your power load requirements at wholesale prices. Check out this quick guide: Think about how many devices you need, where you will install the box, and the environment.
