

Fiber-coated spiral wound tube rack-mount OEM

Fiber-coated spiral wound tube rack-mount OEM

Spiral wound tubes and cores , Finishing and Converting

Corex has a complete range of spiral wound cardboard tubes and cores for the most diverse applications. We produce the appropriate tube or core exactly for your

Spiralwound Gaskets

As a result, spiral wound gaskets are suitable for a wide range of applications, from petrochemicals to nuclear power plants. Discover the corresponding articles in our online catalogue now and order high

Filament Wound Tubes

Explore our premium filament wound tubes, designed for superior strength and durability. Lightweight yet tough, these tubes are perfect for a variety of industries, offering high performance and resistance to

InsulWynd Custom Filament Wound Tubes , CK

Following the winding operation, the tube is heat cured, and the mandrel is extracted. We manufacture a wide variety of tubes for OEM, military, and commercial

Welcome to Acme Spirally Wound Paper Products, Inc. manufacturer

Acme Spirally Wound Products manuf. of Paper Tubes & Cores for Packaging, Mailing, Shipping, Rewind, Displays, Containers, Spools Reels, Shipping Supplies

Spiral Wound UF Module

Description MS ® spiral UF membrane modules are composed of a combination of PVDF flat sheet membrane separated by a thin meshed spacer material which

FITCOTUBE® Polyester Spiral-Wound , GREMCO GmbH

Our MYLAR®/NOMEX® epoxy hoses not only provide the optimum means to waterproof and electrically insulate pipes but also are successful in other

Custom Spiral Wound Tubing

You wouldn't expect an off-the-rack suit to fit you perfectly, so why would you accept an off-the-shelf tube for your spiral wound tubing application?

Schwaben Kunststoff

We produce helically wound tubes as semi-finished product for the production of storage tanks or chemical apparatus. Different wall thicknesses could be

Spiral-Wound Tubes from PPG

We specialize in custom tubing solutions to meet even the most demanding requirements. Even multi-layering of different material types is well within our capabilities.

Spiral Wound Tubes

This is a multilayer spiral wound continuous shrink tubing and this guarantees a superior dielectric strength and mechanical resistance. The positioning and heat

SPIRAL WOUND GASKETS

The Flexitallic Spiral Wound Gasket is the precision engineered solution to such problems, meeting the most exacting conditions of both temperature and pressure in flanged joints and similar assemblies

Spiral-Wound Tubing is the Best Answer for your Tubing Needs

We can apply our spiral-wound process to almost every material type out there. We work with dielectric kraft, vulcanized fibre, nomex, acetate, mylar, and even your standard paper and

Spiral wound tubes and cores
