

K3066 Six-phase power protection

Overview

: 201088 High precision and powerful 6-phase relay test set and commissioning tool; Power & Accuracy in one single PACKAGE, 6x35A, 7x310V analog outputs; The ever-expanding test library templates; Basic Functions ●
-. 13 Channels (6x35A & 7x310V) outputs, Each output channels are independent and simultaneous control of magnitude, Phase angle and frequency values, able to inject DC, AC sine wave and up to 60x harmonics. K30 series relay tester is extremely design for overseas user, with Friendly PC software as your need, unique features and functions helps you all the way! 1. Adopt advanced SCM as the control system which performs steadily and works immediately once the test set is started. It includes capabilities like self-protection, voltage outputs, current generators, and testing for various relay. Distributor of Kingsine K3066i Universal Protection Relay Test Set (6 x 35A / 3 x 70A, 7 x 310V) KVTESTER, MEGGER, Zhiwei, Kingsine, Huazheng, OMICRON, GOLDSOL, Wrindu, DTE, EPHIPOT, HV HIPOT, Ponovo, OMRON, MOTWANE, CEM, GFUVE, Wuhan.

K3066 Six-phase power protection

Kingsine K3066i Universal Protection Relay Test Set (6 x 35A / 3 x

Kingsine K3066i Universal Protection Relay Test Set (6 x 35A / 3 x 70A, 7 x 310V)

Protection Relay Testing K3066, 7 Phase AC (L-N)

High quality Protection Relay Testing K3066, 7 Phase AC (L-N) from China, China's leading Protection Relay Testing product market, With strict quality control Protection Relay Testing factories,

KINGSINE K3066+ Protection Relay Test Set

Unique power switch and amplifier technology, so the output precision and power efficiency and factor are increased, which conforms to international tendency of energy save and environmental protection;

KINGSINE K3066 Protection Relay Test Set

Unique power switch and amplifier technology, so the output precision and power efficiency and factor are increased, which conforms to international tendency of energy save and environmental protection;

Revolutionize Field Testing of Protection Relays

o Actively participates in major power and energy exhibitions worldwide. o Testing equipment is compatible with relay protection devices from leading brands like

K3066i Relay Test Set Overview , PDF , Relay , Power

The K3066i protection relay tester has 13 output channels and is designed for testing various protection relays according to common IEEE standards. It has accurate

KINGSINE K3066i Protection Relay Testing

KINGSINE K3066i Protection Relay Testing K30 series relay tester is extremely design for overseas user, with Friendly PC software as your need, unique features and functions helps you all the way!

GPS Synchronization Protection Relay Testing K3066+, 7 Phase AC

GPS Synchronization Protection Relay Testing K3066+, 7 Phase AC 1.Easy test 2.operation menu, Simple operation 3.Power:1000VA Friendly PC software for easy operation! K30 series relay tester is

Protection Relay Test Set K3066

Protection Relay Test Set K3066 from chinese supplier, Kingsine Electric Automation Co., Ltd..

KINGSINE K3066i Protection Relay Testing

KINGSINE K3066i Protection Relay Testing K30 series relay tester is extremely design for overseas user, with Friendly PC software as your need, unique features and functions helps you all the way! 1.

PRODUCT DETAILS

KINGSINE K3066+ GPS Synchronization Protection Relay Test Set

KINGSINE K3066+ GPS Synchronization Protection Relay Test Set K30 series relay tester is extremely design for overseas user, with Friendly PC software as your need, unique features and functions

Kingsine K3066+

Kingsine K3066+ Details Kingsine K3066+ Protection Relay Test Set K3066+ AC current: 3 60A / phase or 6 30A / phase AC voltage: 7 130V / phase Adopt advanced SCM as the control system which

Protection Relay Test Set (K3066)

Unique power switch and amplifier technology, so the output precision and power efficiency and factor are increased, which conforms to

Kingsine K3066i Protection Relay Test Set

High precision and powerful 6-phase relay test set and commissioning tool; Power

Model: K3066i state sequence, ramping, overcurrent, distance,

Model: K3066i 13 Channels (7V + 6I) output. Each output channels are independent control of magnitude, phase angle & frequency values, can generate a variety of output waveforms such as:

KINGSINE K3066 Protection Relay Test Set

KINGSINE K3066 Protection Relay Test Set K30 series relay tester is extremely design for overseas user, with Friendly PC software as your need, unique features and functions helps you all the way!

An Extensive Library of Self-Developed Products

Kingsine K3066+

AC 300V per phase and provide independent Aux. DC source (0~300V adjustable); Adopt EMC chassis and obtained CE approval.

Gps Synchronization Protection Relay Testing K3066+, 7 Phase Ac

GPS Synchronization Protection Relay Testing K3066+, 7 Phase AC 1.Easy test 2.operation menu, Simple operation 3.Power:1000VA Friendly PC software for easy operation! K30 series relay tester is

KINGSINE K3066+ Protection Relay Test Set

KINGSINE K3066+ Protection Relay Test Set K30 series relay tester is extremely design for overseas user, with Friendly PC software as your need, unique features and functions helps you all the way!

Kingsine K3066i Protection Relay Testing

It includes capabilities like self-protection, voltage outputs, current generators, and testing for various relay types, along with monitoring functions for effective data

KINGSINE K3066 Protection Relay Test Set

KINGSINE K3066 Protection Relay Test Set K30 series relay tester is extremely design for overseas user, with Friendly PC software as your need, unique features and functions helps you all the way!

Protection Relay Test Set (K3066)

Manufacturer Price Six Phase Micro Computer Relay Protection Testing Equipment Universal Relay Testing Equipment with GPS Functionality for

Kingsine K3066i Protection Relay Testing

The kingsine k3066i protection relay tester is designed for international users, featuring advanced safety systems, powerful output precision, and

Electrical safety testing device

Find out all of the information about the Kingsine Electric Automation Co., Ltd. product: electrical safety testing device K3066i. Contact a supplier or the parent

KINGSINE K3066+ Protection Relay Test Set

KINGSINE K3066+ Protection Relay Test Set K30 series relay tester is extremely design for overseas user, with Friendly PC software as your need, unique features and functions helps you all the way!
