

Nordic Smart Distribution Box Solution

Overview

Norstat now offers a complete line of Distribution Boxes with either terminal contacts or pre-wired with PUV or PVC cable. Nordic Design Partners are companies that are familiar with Nordic technologies and that offer design consultancy, design engineering services or ODM services. Zero One Solution Limited specializes in providing cutting-edge PCB solutions for smart distribution boxes, enabling our clients to create innovative and high-performance products. Based on our proven platform, Nordicab cable distribution cabinets include improvements and features requested by our customers, which make life easier for installation engineers.
