

Price of installing junction box wiring board

Overview

Junction box installation costs \$100 to \$300 for parts and labor, depending on the installation location, accessibility, and the electrical box size, material, and indoor or outdoor rating. Plastic junction boxes for indoor wiring cost 50% to 80% less than metal boxes but. If you're planning any electrical work, one of the small but important items on your list will be the junction box. Homeowners typically pay for electrical box replacement by combining the price of the new box, labor, and any required permits or upgrades.
